

Invitation

HealthCare Investors Meeting

Date Tuesday, 31 March 2026,
from 10:00 a.m. to 5:00 p.m.

Place Genolier Innovation Hub, Route du Muids 3,
1272 Genolier, Switzerland

Topic Healthcare Innovation Meets Capital Market

Presenting companies are:

**AEVIS Victoria, Basilea Pharmaceutica, BioVersys, Galenica,
Polypeptide, Medacta, OM Pharma, Topadur Pharma, Cutiss and AB2Bio**

As healthcare and life sciences equities return to the spotlight, the Healthcare Investors Meeting offers investors exclusive access to selected Swiss-listed small and mid-cap companies.

The conference highlights investment opportunities across the entire value chain – from peptide technologies and novel anti-infectives to personalized therapies and specialized clinics.

Designed for private and institutional investors, HCIM fosters meaningful exchange between capital markets and innovative healthcare leaders in a unique innovation-driven environment.

About schweizeraktien.net

schweizeraktien.net was founded in 2014 as a centre of excellence for Swiss public companies.

Its aim is to intensify dialogue between interest groups across all channels, thereby helping Swiss shares to gain greater visibility.

Our partners

SIX Swiss Exchange is one of Europe's leading exchanges, offering outstanding

liquidity and access to a deep pool of Swiss and international investors. Home to some of Europe's most highly capitalized companies, it is a trusted gateway to global capital markets.

Genolier Innovation Hub, located just 20 minutes from Geneva airport in the heart of the

Swiss Health Valley, offers over 25,000 m² dedicated to medical innovation, where physicians, caregivers, researchers, scaleups, companies, specialized industries, hospitals, clinics and academic institutions meet and collaborate to accelerate progress and innovation in health care. Its mission, from laboratory to clinical application, is to ease the transition "from bench to bedside" by promoting translational research, the development of new solutions and educational opportunities, for the benefit of patients. With a focus on medtech, pharmaceuticals, digital technologies and biosciences, the Genolier Innovation Hub is a dynamic meeting place for international health care players. Its state-of-the-art 300-seat auditorium, featuring a 270-degree immersive screen, is a location for high-level conferences and keynote presentations.
